**STATUS:** Open

**PURPOSE:** The purpose of this roundtable is to consider issues associated with data access and use for community health assessment and improvement. The Roundtable will bring together community leaders, health data ‘connectors’ (intermediary organizations), and health data suppliers to identify major lessons, needs and gaps in local data access and use and explore how HHS can better support local data efforts. The intention of the gathering is to: (1) identify the strengths and needs of communities, (2) enhance the role of data connectors, and (3) improve the dissemination strategies of data suppliers. The ultimate goal is to help enable communities systematically and effectively use data and information to enhance local well-being.
